Our whole school value this  
half term is  
*Respect*

In Collective Worship this week, we looked at all of the Sustainable Development Goals and what they stand for. We also considered the importance of Easter to Christianity.

## British Science Week

The week began with a Science workshop for each year group in the hall. Each year group was then given a Science experiment to conduct. Reception turned chocolate from a solid to a liquid and back to a solid again. Year 1 tested biscuits to see which was the best to dunk! Year 5 measured the effects of gravity on falling objects, measuring the crater they made in a flour base.

Together we've  
raised over  
£280 for  
Comic Relief.  
Thank you!

The School Nurse, Carol Ricketts, joined Mrs. Manion at the Family Key Worker Coffee Morning. Carol gave advice and tips around bedtime routines for children. Those that attended said that it was very useful.

Mrs. Manion's next Drop In session is planned for Friday 26th April.

The PLT sold all of the Red Noses before school last week which meant that they raised £400 for Comic Relief!

This week we hosted the Enterprise Workshops. Once again we were blown away by the support we received. Together we have raised over £400. This will go towards our next project within our school grounds. Thank you so much!

A huge round of applause for this week's  
Outstanding Learners...
